VIEWING AND PRINTING YOUR CERTIFICATION RECORD

Commencing August 1, 2009, all AYSO coaches and assistant coaches who wish to coach in the AYSO National Games, in any concurrent secondary play competitions or in nationally sanctioned AYSO Tournaments must, at a minimum:

1. Be a registered volunteer in eAYSO for the current year.
2. Have AYSO Safe Haven for Coaches certification.
3. Be trained per the National Coaching Program Guidelines at the age/skill level of the team they wish to enter/coach.

Any coach with a username and password for eAYSO will be able to check his/her certification record and print the screen if asked to provide verification. Here's how.

1. Log on to eAYSO
2. At the Welcome screen, click on the Blue Button labeled **Volunteers**. The **General Instructions** screen will open.

3. Click on the button next to “update my contact information.” The Update screen will open.
